courage to vote against this bill. It takes courage to vote for the kill motion because, as Senator Cavanaugh said, it is much easier to go along with the insurance company because those people at home really don't know, and who hasn't bought that policy yet, how he will be affected. I ask you to muster your courage and vote for the indefinitely postpone motion.

PRESIDENT: The question is, shall LB 528 be indefinitely postponed? Record your vote. Have you voted? Record. Mr. Clerk. Senator Cavanaugh.

SENATOR CAVANAUGH: I ask for a Call of the House and a record vote.

PRESIDENT: The question is, shall the House be put under Call?

SENATOR CAVANAUGH: Withdraw that.

PRESIDENT: Senator Stoney.

SENATOR STONEY: Mr. President, I would like a Call of the House, please and a record vote.

PRESIDENT: The question is, shall the House go under Call? Have you voted? Have you voted? Record.

CLERK: 14 ayes, 16 nays to go under Call.

PRESIDENT: The House does not go under Call. Report the vote.

CLERK: Record vote read. See Pages 1485 and 1486, Journal. 18 ayes, 12 nays.

PRESIDENT: Motion carries. LB 141.

CLERK: LB 141 introduced by Senator Luedtke of the 20th District. Read title. Mr. President, the bill was first considered on April 8th, again on April 22nd, again today. There were no Committee amendments. There is a series of amendments pending on it. The first one was offered by Senator DeCamp which reads: Read. See Page 1486, Journal.

PRESIDENT: Senator DeCamp.

SENATOR DeCAMP: Mr. President, I attempted to kill the bill because I thought the original increase was excessive. There was, obviously, not enough votes to kill the bill. There is, obviously, sentiment here for a raise. One of the points of disagreement was the wide spread between outstate Senators and city Senators. This amendment does two things.

PRESIDENT: Do you mean judges or Senators?

SENATOR DeCAMP: Oh, god, I mean judges. Excuse me.

PRESIDENT: There is no difference in Senators.

SENATOR DeCAMP: Well, that is not entirely true either.
